Over/Under Revenue Reporting in Aspire

This job aid provides a step-by-step guide for generating and adjusting Over/Under Revenue reports in Aspire's accounts receivable module. It ensures invoiced amounts align with earned revenue. Use this guide to streamline your reporting tasks and maintain accurate financial records.

Steps to Generate and Adjust Over/Under Revenue Reports

1. Click on Reports

• Navigate to the "Reports" section from the main menu.

2. Select Standard Reports

• From the list of available reports, choose "Standard Reports."

	Reports	621
. 0	PAVERTS STANDARD POPERTY	
•	Q. Search ≒ □ +	•••
	REPORT VIEW NAME REPORT VIEW DESCRIPTION
